1. When you log onto SchoolsBuddy you will see this screen. Click the Project box underneath where it says available signups. Project My Time sessions will always start the title with the abbreviation PMT.

2. You will then be taken to this screen. Click the days to open the drop down menu.

3. On these drop downs you will find more info about the sessions being held on each day of the week, including the cost, time and location.

Please tick the '1' box for your child's first choice, '2' for their 2<sup>nd</sup> and '3' for 3<sup>rd</sup>. You can leave the sessions that your child does not want as 'N/A'. We ask for you to give us 3 choices so that we can allocate fairly, and the system will not let you proceed unless you have put in at least 2 choices of sessions for your child.

8. You should get a confirmation email looking similar to this if you have correctly made your child's choice. You will see here that it has all the information for the sessions including cost and number preference that you chose.

  - 9. Once you have made all your selections, the Project sessions will still show up under the available signups section until the closing date. This is because if your child changes their mind, you can go in and amend the sessions you have requested right up until that date. After the closing date has passed, these will disappear and you will no longer be able to book. After we have allocated the sessions, you will receive a notification from SchoolsBuddy saying which sessions your child has been given. You will also be able to view these in your diary. You will then later receive payment information, and you will pay through SchoolsBuddy.
