

## INFORMATION

Sessions need to be requested via SchoolsBuddy by the end of Sunday 5th May.  
(Please email well in advance if you have any issues with the new system)

If you require 1:1 support for your family on any sessions which you request, you MUST email us at [chaos@diverseabilities.org.uk](mailto:chaos@diverseabilities.org.uk) to inform us of this before the closing date.

After the closing date, spaces will be allocated and you will be able to view the sessions you have been allocated on SchoolsBuddy. Following this we will generate fees to your account and you will be able to pay via there.

You will need to choose a first, second and third choice for the holiday and you will be allocated spaces accordingly due to demand. All bookable sessions are £9 for a child with Special Educational Needs & Disabilities (CWSEND) and £7 for each sibling (siblings under 3 years old attend free of charge).

Open House sessions do not need to be pre-booked. If you would like to attend please arrive on the day and sign in with the supervisor, sessions are £15 per family and will be charged through SchoolsBuddy after the event. You are welcome to stay for as little or as long as you like. No 1:1 support will be available, however there will be staff around to help where needed.

You can cancel sessions up until Sunday 19th May with no charge, but we will not be able to offer refunds for any sessions cancelled after this date.

Please do not arrive early to the sessions, staff need time to set up for sessions and to read care plans during their brief.

If you are going to be late to the session or are unable to attend, please do let us know, the best way is to call 07785 622093.
